Conceals and provides easy access to pipework and services and completes the look and feel of a washroom.

### Lockers + Benches

An almost endless collection of locker options and bench configurations adds convenience and comfort to every locker room.

## CLASSIC PARTITIONS

# DRAMATIC LINES, BOLD HARDWARE AND STUNNING ADJUSTABLE PEDESTALS DEFINE OUR CLASSIC COLLECTION.

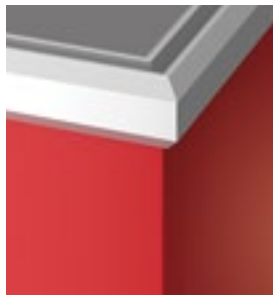

A marriage of simplicity and functionality creates a collection that has ASI's exclusive Ultimate Privacy™ at its heart. Zero sightline doors and pilasters meet in a flush finish with routed, overlapping closures for guaranteed privacy. Style and stability have not been sacrificed in this collection, with robust

octagonal head rails adding to our seamless construction. The Classic collection matches any aesthetic and performance need. Crisp design lines, bold hardware options and superior functionality make the Classic collection perfect for any high-profile setting.

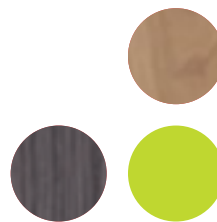

### Dramatic Pedestals

Adjustable pedestals allow for any inconsistencies in the floor to be addressed and leveled in the field.

### Corner Bracket System

All corners are concealed in our beveled corner assembly for stability and durability.

### Colors + Finishes

A wide range of simulated woods, metals and solid colors available.

## ELEGANCE PARTITIONS

# WITH SOPHISTICATED DETAILS, ELEGANCE IS OUR MOST GRACEFUL AND REFINED PARTITION SYSTEM.

This visually appealing collection is ideal for the most aesthetically demanding applications. The signature stainless steel top rail provides structural stability and style, while the corners and door panels are perfectly rounded for a refined and elegant appearance. And the self-closing doors create

a clean look throughout the bathroom even when unoccupied. Elegant hardware and adjustable pedestals seamlessly complete the look. If you're looking for strength, comfort, beauty and durability, the Elegance collection has it all.

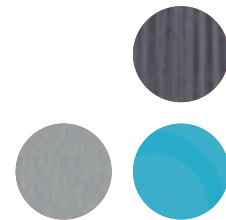

### Support System

Pilasters and side panels are supported by the top rail using stainless steel clips.

### Headrail Corner Assembly

The corners of the stainless steel headrail are held together by a 90 degree curved stainless steel bracket.

### Colors + Finishes

A wide range of simulated woods, metals and solid colors available.

## KIDS PARTITIONS

# A DURABLE AND FUN PARTITION SYSTEM FOR NURSERY AND ELEMENTARY SCHOOL WASHROOMS.

Our child friendly partitions are engineered to offer the best and safest features. Door and panel heights are sized to be more appropriate for children, and doors are finished at the top in a semi-circle for a playful look and feel. For safety, doors have only fixed knobs, so caretakers have access to the partitions.

And with the ability to design our child friendly partitions to look like just about anything, the kids model is a playful expression of our possibilities. For your most precious treasures, count on this reliable cubicle system.

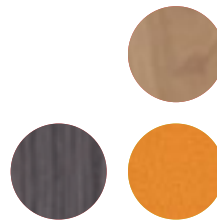

### Safety Features

Rubber profile inserted between the doors and pilasters prevent injury to hands and fingers.

### Form and Function

All corners are concealed in our beveled corner assembly for stability and durability.

### Colors + Finishes

A wide range of simulated woods, metals and solid colors available.

## LOCKERS + BENCHES

# MORE THAN JUST PARTITIONS WE OFFER LOCKERS, AND BENCHES, IN EVERY SHADE OF PERFECTION.

An almost endless collection of construction options and ease of installation define our locker systems, while exciting colors and elegant finishes add allure. Lockers can be built in any configuration matrix with multiple base options, tiers and styles to choose from. Door features include concealed, self-closing hinges and cushioned bumpers to ensure smooth and long-lived operation while multiple lock options offer end users

more choices. Our benches are a great complement to any locker room when both aesthetics and functionality are needed. All benches are available with or without clothes hooks and shoe and hat shelves, and have the optional ability to be hung against a wall.

A unique metal frame allows our lockers to be shipped unassembled and put together on site with ease.

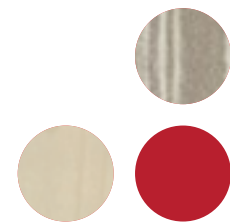

### A Wide Range of Lock Options Available

A variety of lock options available to meet your security requirements.

### Benches

Benches can be configured to coordinate with the look and function of any of our locker systems.

### Colors + Finishes
